AXE THROWING?	Yes, you read that correctly. We've taken the axe throwing out of the woodlands and brought it into the city. There's nothing like the satisfying thud of sinking your first axe.
GENERAL OVERVIEW OF THE POSITION:	<p>As a Whistle Punks Bartender, you have the best interests of the customer at heart. It is your duty to make sure that everyone who comes to the bar gets what they need, even if that means pacing themselves or sobering up.</p> <p>This is an opportunity to work in a growing industry that bridges the gap between social drinking and group activities. Can you thrive in a new environment of axe throwing entertainment?</p> <p>You will get to throw axes in your spare time with the UK's finest instructors. If you like the sounds of that, come have a chat and see if you've got what it takes to be a Whistle Punk.</p>

MAIN DUTIES AND RESPONSIBILITIES:

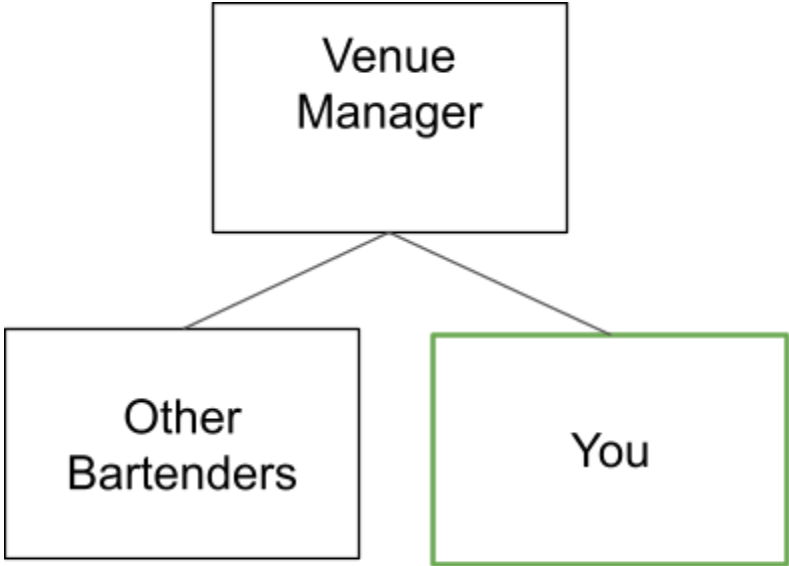

First and foremost, be a great host. We are looking for someone who can create an atmosphere where customers are made to feel welcome, so their experience is memorable on and off the lanes.

Next, you must meet the needs of thirsty customers. You will run the bar according to your training guidelines. Your clientele could be a rowdy stag group or a timid group of colleagues who aren't quite sure what they've signed up for. Our venue is cashless to help you focus on customer service.

Can you calmly remind customers that being drunk does not make for a good axe throwing experience?

You'll be joining a community like no other so we want team players who look out for each other.
